DCRP/MP/20/06 - Provision for Energy Storage Devices in the Distribution Code

The RTA was sent on the 26th of April to Ofgem for decision.

DCRP/20/05/PC - P18 Issue 2 Complexity of 132kV documents

The Draft EREC has been circulated DNO design and safety staff for feedback. A final review of text will be completed by WG before approval to consult will be sort from DCRP.

DCRP/MP/19/09 EREC P24 Issue 2

Any further development to P24 will be delayed to align with P29 expected publishing – P29 is currently undergoing review by members. P24 Issue 2 has seen majority of members of the group in agreement, with a further update being provided by the end of June.

DCRP/MP/20/04 Data Exchange WG

The WG has reviewed and agreed on the principles of data exchange to be included in the EREC. The agreed schedules to be used to record DER will be included, and the WG will shortly move to develop the text within the EREC document.

DCRP/MP/21/02 EREC G100 Issue 2

The working group has completed its work on drafting on EREC G100 and is seeking the approval of the DCRP to go to consultation on the changes proposed in issue 2. The WG will reconvene to assess the responses once the consultation closes.
