**Teleconference number 020 3855 5885**

**Conference ID: 412 012 878#**

**DCRP/MP/20/06 - Provision for Energy Storage Devices in the Distribution Code**

The modification proposal has been approved by Ofgem and new issues of DCode (issue 46), EREC G98 and G99 have been published (1<sup>st</sup> August) the Implementation date remains as 1<sup>st</sup> September 2022.

**DCRP/20/05/PC - P18 Issue 2 Complexity of 132kV documents**

The Draft EREC has reached the point where the WG are satisfied with the Issue and have put together a consultation document pack for approval to consult. This pack has been circulated to members for their approval and if approval will go out to consultation first half of August 2021.

**DCRP/MP/19/09 EREC P24 Issue 2**

Any further development to P24 will be delayed to align with P29 expected publishing – P29 is currently undergoing review by members. P24 Issue 2 has seen majority of members of the group in agreement, with a further update being provided by the end of August.

**DCRP/MP/20/04 Data Exchange WG**

Work is continuing on the formation of the EREC the principles to be included have been agreed in principle and will be included into the document.

**DCRP/MP/21/02 EREC G100 Issue 2**

The WG reconvened to review the feedback received from the stakeholder consultation, due to the feedback received further discussions will be held with respondents and a plan to hold a second consultation once the EREC has been amended in line with stakeholder feedback.
