

Distribution Code Review Panel

Meeting 64 – June 8 2017

Panel Membership - Update

Paper by Code Administrator

At the previous Panel meeting in March a brief update was provided relating to the Distribution Code Review Panel membership and current vacancies. The Panel were informed that there were 4 vacancies on the Panel. They were:

2 x User representatives
1 x BM Generator Representative
1 x Supplier Representative

Panel membership roles can be found in appendix 1.
Latest Panel membership can be found in appendix 2

I am please to inform the Panel that I have recieved a nomination from Centrica to fulfil the role of **Supplier Representative**.

Mr Awais Lodhi - DE Senior Electrical Engineer – Centrica. (Bio is attached as appendix 1)

Key responsibilites have included.

- Providing technical expertise in battery storage, FFR and Demand Response projects.
- Responsible for the designing of electrical solutions that allow customer sites to participate in Demand Response (STOR, Triad), FFR, EFR and TA.
- Carrying electrical analysis and surveys on customers' sites internationally to assess DR potential.
- Developing healthy relationships with customers, energy companies, utility suppliers and DNOs.
- Providing support to distributed energy team about practices and procedures with energy consuming facility systems, engineering evaluations, testing systems and writing survey and site installation reports.
- Providing commercial and technical support as and when required to sales team, delivery team and operations team

Panel Request

The Panel is requested to consider the nomination of Mr Lodhi as the DCRP Supplier representative.
